

## General Services Administration

552.236-83

(d) Approved samples not destroyed in testing will be sent to the Government representative at the project. Approved samples of hardware in good condition will be marked for identification and may be used in the work. Materials and equipment, incorporated in the work shall match the approved samples. Other samples not destroyed in testing or not approved will be returned to the Contractor at his expense if so requested at time of submission.

(e) Failure of any material to pass the specified tests will be sufficient cause for refusal to consider, under this contract, any further samples of the same brand or make of that material or equipment which previously has proved unsatisfactory in service.

(f) Samples of various materials or equipment delivered on the site or in place may be taken by the Government representative for testing. Samples failing to meet contract requirements, or there shall be a proper adjustment of the contract price as determined by the Contracting Officer.

(g) Unless otherwise specified, when tests are required only one test of each sample proposed for use will be made at the expense of the Government. Samples which do not meet specification requirements will be rejected. Testing of additional samples will be made by the Government at the expense of the Contractor.

(End of clause)

### 552.236-80 Heat.

As prescribed in 536.570-11, insert the following clause:

HEAT (APR 1984)

Unless otherwise specified or unless already provided by the Government the Contractor shall:

(a) Provide heat, as necessary to protect all work, materials, and equipment against injury from dampness and cold;

(b) Protect, cover and/or heat as may be necessary, to provide and maintain a temperature of not less than 50 degrees Fahrenheit (1) in the concrete during the placing, setting and curing of concrete, and (2) in the plaster during the application, setting and curing of plaster; and

(c) Provide heat as necessary in the area where work is to be done to provide the minimum temperature recommended by the supplier or manufacturer of the material, but in no case less than 50 degrees Fahrenheit, for a period beginning 10 days before placing or interior finishes and finish materials and continuing until completion or beneficial occupancy of the area, whichever is earlier.

(End of clause)

### 552.236-81 Use of Equipment by the Government.

As prescribed in 536.570-12, insert the following clause:

USE OF EQUIPMENT BY THE GOVERNMENT (APR 1984)

(a) The Government may take over and operate, with Government employees, such equipment as is necessary for heating or cooling such areas of the building as require the service, as soon as the installation is sufficiently complete.

(b) The Contracting Officer will advise the Contractor by letter, prior to the use of equipment, which items of equipment will be operated, and the date and time such operation will begin.

(c) Government operation of equipment will not relieve the Contractor of the one-year guarantee on materials and workmanship elsewhere provided for in this contract.

(d) The guarantee period, elsewhere provided for in this contract, for each piece of equipment shall be in accordance with the "Guarantees" clause of this contract.

(End of clause)

### 552.236-82 Subcontracts.

As prescribed in 536.570-13, insert the following clause:

SUBCONTRACTS (APR 1984)

(a) Nothing contained in the contract shall be construed as creating any contractual relationship between any subcontractor and the Government. The divisions or sections of the specifications are not intended to control the Contractor in dividing the work among subcontractors, or to limit the work performed by any trade.

(b) The Contractor shall be responsible to the Government for acts and omissions of his own employees and of subcontractors and their employees. He shall also be responsible for the coordination of the work of the trades, subcontractors and suppliers.

(c) The Government will not undertake to settle any differences between or among the Contractor, subcontractors, or suppliers.

(End of clause)

### 552.236-83 Requirement for a Project Labor Agreement.

As prescribed in 536.570-14, insert a clause substantially the same as the following:

**552.237-70****REQUIREMENT FOR A PROJECT LABOR AGREEMENT (SEP 1999)**

(a) Definition. “Project Labor Agreement” (PLA) means an agreement between the contractor, subcontractors, and the union(s) representing workers. Under a PLA, the contractor and subcontractors on a project and the union(s) agree on terms and conditions of employment for the project, establishing a framework for labor-management cooperation to advance the Government’s procurement interest in cost, efficiency, and quality.

(b) The Contractor shall, after contract award, enter into a PLA for performance of [Insert project or contract name]. The PLA binds the Contractor and subcontractors of whatever tier engaged in onsite construction work. The PLA shall include all the following terms:

(1) Guarantees against strikes, lockouts, and similar work disruptions.

(2) Effective, prompt and mutually binding procedures for resolving labor disputes arising during the project.

(3) Other mechanisms for labor-management cooperation on matters of mutual interest and concern, including productivity, quality of work, safety, and health.

(4) The PLA shall fully conform to all applicable statutes, regulations, and Executive Orders.

(c) Any PLA reached under this clause shall not change the terms of this contract or provide for any pricing adjustment by the Government.

(d) The Government shall not participate in the negotiations of any PLA.

(e) Nothing in this clause precludes contractors or subcontractors from competing for contracts or subcontracts on this project without discrimination based on union or non-union status.

(End of clause)

**552.237-70 Qualifications of Offerors.**

As prescribed in 537.110(a), insert the following provision:

**QUALIFICATIONS OF OFFERORS (MAY 2009)**

(a) Offers will be considered only from responsible organizations or individuals now or recently engaged in the performance of building service contracts comparable to those described in this solicitation. To determine an Offeror’s qualifications, the Offeror may be requested to furnish a narrative statement listing comparable contracts which it has performed; a general history of its operating organization; and its complete experience. An Offeror may also be required to furnish a statement of its financial resources; show that it has the ability to maintain a staff of regular employees adequate to
